

Health Advocate: A Valuable Resource

First Data is committed to helping employees become educated about their own health and wellness. Health Advocate is a valuable resource for health information. The best way to get answers to your medical questions or claim issues is to contact the professionals at Health Advocate. They will assist you with medical and dental coverage questions, understanding your explanation of benefits, finding doctors, discussing lifestyle improvements, such as losing weight or how to quit smoking and much more. Contact your personal Health Advocate by calling 866-695-8622.

Health Advocate's website allows employees to research and learn more about a variety of topics and articles from managing a condition or disease to learning about wellness and lifestyle improvements. The website is easy to use. Take a tour today at: www.healthadvocate.com/members.
